Your Credit Representative

Bora Tuncoglu (ASIC ACR No 376618) offers you credit assistance as an Authorised Credit Representative of Bmoney.

You can contact Bora directly at bora@bmoney.com.au.

Our Responsible Lending Obligations

Your Credit Representative will work with you to determine and achieve your financial objectives. Before we suggest or assist you with entering into a credit contract, including increasing the credit limit of an existing loan, we must assess if that credit contract will be unsuitable for you. The assessment will be conducted prior to considering the appropriate lending options available to you and will involve the collection and verification of financial information to determine the appropriate loan amount and the loan costs associated with entering a credit contract.

To do this, we will need to ask you a series of questions and verify this information, including:

- Make reasonable enquiries about your current financial situation;
- Make reasonable enquiries about your loan requirements and objectives; and
- Take reasonable steps to verify your financial situation

A credit contract will be unsuitable if, at the time of providing credit assistance:

- It is likely that you will be unable to comply with your financial obligations under the contract or could only comply with substantial hardship; or
- The contract or increase will not meet your requirements or objectives at that time.

Once completed, this Preliminary Assessment is only valid for 90 days. You can request a copy of this document within 7 years from the date the assessment was conducted at no charge.

Lender Panel

We source finance from a panel of lenders. The following are the lenders with which we generally conduct the most business:

- NAB
- CBA
- Pepper Money
- Bankwest
- Macquarie Bank
- WISR
- Plenti
- ANZ
- Liberty FS

Fees Payable By You

We may charge a fee for providing credit assistance to you. If applicable, details about all fees payable will be provided in a Credit Quote before providing credit assistance.

You may have to pay other fees and charges (such as application fees, valuation costs and additional applicable fees) to the lender or other parties. You should review the loan contract documentation for further details of such fees and charges.

We may receive additional commissions or bonuses from lenders or lessors relating to the volume of finance that we arrange. Such payments depend upon several factors and cannot be quantified at this point.

How We Are Paid

We receive commissions from lenders and lessors who provide finance for our clients. These are not fees payable by you.

All fees and commissions will be provided to you in a Statement of Credit Advice prior to providing credit assistance and applying for finance.

Credit Representative Remuneration

Your Credit Representative is paid a commission. From time to time, your Credit Representative may receive a non-commission benefit through training, professional development, entertainment, gift, conference attendance or sponsorship.

In addition, as a Director of Bmoney, Bora is also entitled to a share of the profits of Bmoney.

Other Remuneration Arrangements

We may obtain referrals from various sources, including existing clients, accountants, financial planners, real estate agents and other people, and if you were introduced or referred to us, we might remunerate the referrer.

Details of any such remuneration will be disclosed at the time of providing credit assistance in the Statement of Credit Assistance.

Complimenting Services

Your Credit Representative may provide services other than credit assistance under another business name or corporate entity. Where they may offer these other services, you should understand that these other services are not provided under Bmoney's Australian Credit Licence.

You should always conduct your own enquiries into any services referred to you by your Credit Representative which are outside the responsibility of Bmoney.

Things You Should Know

We do not provide legal or financial advice. You must understand your legal obligations under the proposed credit contract and the financial consequences of the debt. If you have any doubts, you should obtain independent financial and legal advice before you enter into any credit contract.

We do not make any representations about the current value of any real estate you finance through us, or the future prospects of its value. You should always rely upon your own enquiries.
